The ProMarker colour palette has been carefully chosen to include strong, vibrant hues plus a range of subtle tones and pastel shades to extend creative expression.

ProMarker inks are transparent too, which means they can be overlaid to create an almost limitless range of colours and tones, and you can use the Blender to merge colours together.

**ProMarkers are available singly and in a range of 5-Packs:**

These value packs are a great way to buy ProMarkers. Each set of 5 markers has been specially selected to work well together.
